VISION

Helping patients reclaim valuable moments of life from illness.

MISSION

To be ranked as one among the top 5 Pharmaceutical players in India, by **2025**.

OUR PHILOSOPHY

Care, Our Concern !
Life, Our Commitment !

RESEARCH AND DEVELOPMENT

Since its inception, **INTRA LIFE** has relentlessly pursued the most innovative and expert talent across a wide variety of products, dosage forms and delivery mechanisms resulting in an excellent Research & Development team in the industry. **INTRA LIFE**'s dedication to excellence keeps it at the leading edge of manufacturing technology. We invest in the absolute best quality facilities, equipment, technology and talent to ensure the seamless production of our products.

QUALITY ASSURANCE

Our "Quality-by-Design" approach brings a level of consistent excellence throughout the development process and solidifies the bedrock of excellence behind each of its products. We offer medicines manufactured at state of the art facilities, which have been approved by major regulatory agencies.

CODE OF ETHICS

We are firmly committed to the highest ethical standards in our dealing with all those with whom we are involved. We follow good business practice and ensure the accuracy of our records and business information, abiding by the national codes of practice.

OUR STRATEGY

Making quality healthcare an affordable and accessible reality has been the cornerstone of our success. Our Business methods are as unique as they are valued. We are committed to embrace latest technology, process and ideas to transform the future of healthcare and to deliver industry-leading solutions with a sense of urgency, dedication and unparalleled efficiency.

HOW WE WORK ?

As the biggest supplier by volume and range, we know that patients all across the country rely on **INTRA LIFE** for their medicines. We take that responsibility very seriously. From packaging to distribution, all through our supply chain, we're focused on making our medicines accessible to healthcare professionals and ultimately onto patients.

We follow industry-recognized Good Manufacturing Practice, meaning the highest standards of quality and safety are applied throughout the packaging process.

From the tablets/capsules/syrups/ointments/soft-gels/injectables/inhalers arriving in bulk containers to the final medicine boxes being stored on the pallet ready for shipping, our packaging experts oversee every stage.

INTRA LIFE's primary distribution facility is strategically situated in India in Bengaluru.

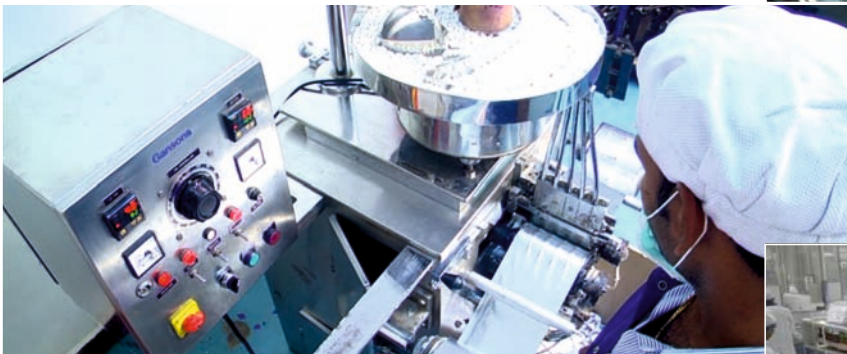

Our supply chain processes and world class warehouse facility is having the expertise to handle distribution and supply chain impeccably and is fully supportive to deliver seamless supplies of medicines catering the entire South and middle India.

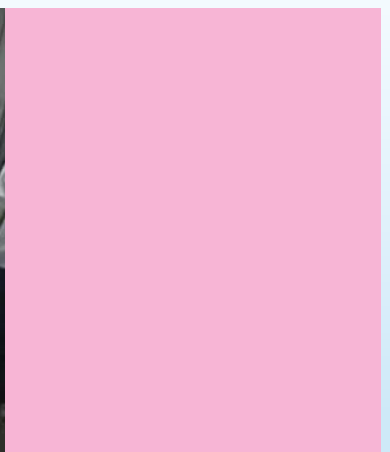

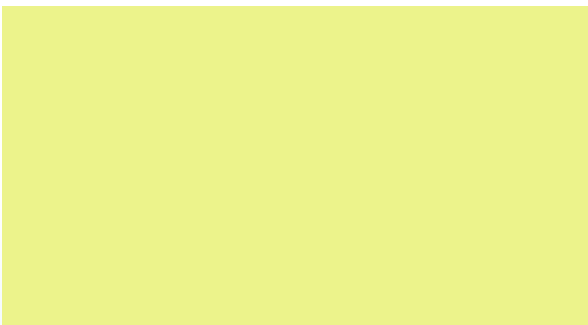

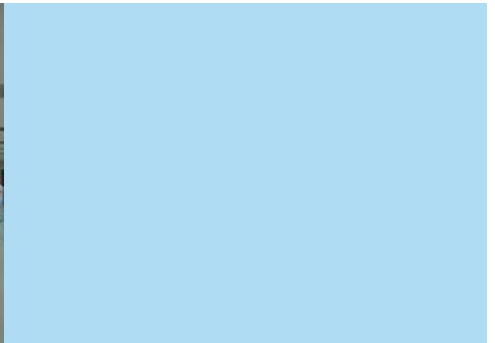

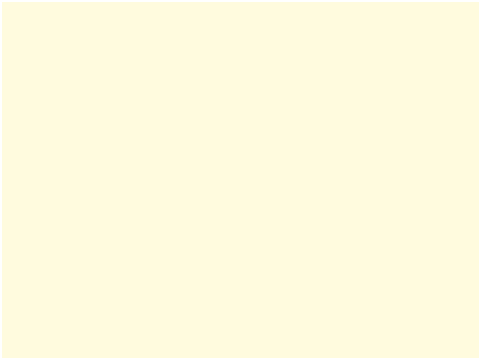

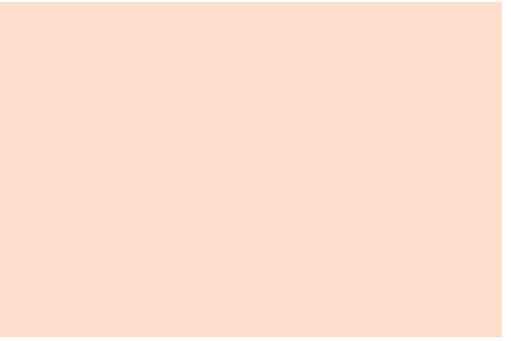

Our two other dispatch points is situated at Ghaziabad and Kolkata to enable fast and flexible logistics network and supplies to the North and North-east Zone.

OUR MANUFACTURING PROCESS
