Introduction

Intra Life Pvt Ltd is a leading pharmaceutical company, dedicated to redefining healthcare through innovation, precision, and a steadfast commitment to improving lives. With a rich heritage and a forward-thinking vision, we have earned a distinguished reputation as a trusted global partner in healthcare solutions.

Since our inception, we have embarked on a remarkable journey, driven by a profound desire to make a positive impact on the well-being of individuals worldwide. We take pride in our relentless pursuit of excellence, driven by a deep-seated belief that healthcare should be accessible, dependable, and transformative.

Our legacy is built upon a strong foundation of quality, exemplified by our WHO-GMP and ISO certifications. These credentials underscore our unwavering dedication to upholding the highest standards of pharmaceutical manufacturing, ensuring the safety and efficacy of every product that bears our name.

MESSAGE FROM THE CHAIRMAN

We welcome you to be our partners in business, take our franchises, try our products, and be a part of our family so we can grow together.

INTRA LIFE a brand, a family started 43 years with the aim to add value to the pharmaceutical industry. After more than 2000 formulations and a vast product range, we have achieved our aim to an extent. INTRA LIFE has started in the Bangalore office to cater to the challenges of the industry. We are working towards it at every step, every stage, and every minute in our pharmaceutical company.

We believe in working together the development of an industry works in the right direction when all levels are aligned and work for growth together. From our employees to our partners, we believe in working together with aligned goals to contribute to the healthcare system and pharmaceutical industry.

Over the last 44 years, we have seen the healthcare system change, changing demands in the pharmaceutical industry. We have worked endlessly to cater to these demands and fulfill the gaps. Our complete process makes us stand out in the industry. Our process focuses extensively on research and analysis about medicines, illness, improvement in currently available medicines, and more. At every step

of Intra Life product development, we follow critical Quality checks to ensure our products attain top quality for our users. All stages of our product development include Quality checks to provide the best to our partners.

INTRA LIFE works on three pillars- Innovations, Quality, and Partners. We work tirelessly to innovate products that cater to gaps in the pharmaceutical industry. We work on every aspect of development steps to attain top-level quality. We work in collaboration with our partners, aligned with our and their goals.

In addition to quality, our partners have innovation as our core essence. INTRA LIFE believes in innovating new products in the pharmaceutical industry that contributes to the growth and development of the healthcare system. Over the years we have developed innovative products and formulations and thousands of products are in the research phase.

INTRA LIFE has established many new distribution points, and franchises, organized conferences, and summits. In addition, we have launched therapeutic solutions like ZoyaLife Plus, Intrapro-90, and more.

We have also launched Doxis Laboratories- a psychiatric division, Cutis derma care- a skincare division, and more. INTRA LIFE aims to step into all pharmaceutical sections of the industry with an innovative and vast range.

We are industry leaders over the years with high-end clientele. INTRA LIFE supplies medicines to the Indian Army, Apollo Group of Hospitals, renowned private and public institutions, and hospitals. With supplies to top institutes and hospitals, we also have provided franchises to many distributors. INTRA LIFE plans to expand its customer base in the coming years to the next level.

Being a responsible pharmaceutical company, we regularly research, and analyze industry gaps to cover and cater to demands. We believe in building long-term relationships with our partners, franchisees, and end users to move toward growth.

At INTRA LIFE, our employees are more than just a team; they're a valued part of our family. With their exceptional skills and expertise, we foster a supportive and inclusive workplace that nurtures growth. Our ambition is to emerge as a leading pharmaceutical giant in India, and every effort is being made to establish a robust industry presence.

RAKESH JAIN
CHAIRMAN

JOIN US AT INTRA LIFE PVT LTD

As it moves ever closer towards achieving the goal of becoming a Top 5 Indian Pharmaceutical company in India, we remain true to the values that have guided our operations since its founding. We empower all of our employees to think and to act diligently and to strive for perfection in everything they do. We are driven by a passion for bringing quality and value to our customers and to embracing a true team perspective that encourages the very best in everyone, and celebrates success as a true "INTRA LIFE family".

Understand that every product the company manufactures is destined for someone's loved one. And never, ever forget that, no matter how large the company may become, its legacy and reputation lie firmly in the hands of each and every one of its employees.

The difference between success and failure is a great team.

MEET OUR TEAM LEADERS

Meet Our Team

Excellence in pharmaceuticals begins with our relentless commitment to research and development (R&D). Our pursuit of innovative solutions and cutting-edge formulations is at the core of our mission to advance global healthcare.

ABOUT OUR COMPANY

Who Are We

INTRA LIFE is a leading pharmaceutical company, distributor, and manufacturer in India, with 44 years of experience in the industry.

INTRA LIFE has developed over 2,500 innovative pharmaceutical formulations for a range of health conditions. INTRA LIFE is a well-known and experienced manufacturer of therapeutic solutions for a range of health conditions. Our solutions can help individuals improve their lives in many ways. Our solutions can help people fight infections, relieve asthma symptoms, control cholesterol, and address infertility problems.

Our therapeutic solutions can also be used to treat gastrointestinal problems, provide lifesaving injectable medicines, manage pain, and treat many other symptomatic conditions. We have an excellent team of specialists and pharmacists who work on developing and innovating new pharmaceutical products. We currently have a range of innovative products in the pipeline, and our experts are actively working to bring them to market." This makes the sentence more concise and highlights the company's commitment to innovation.

Our Mission

To be ranked as one among the top 5 pharmaceutical players in India, by 2025.

Why do we strive for this distinction? Because we believe that excellence is not just a destination; it's a journey. It's the journey of pushing boundaries, setting higher standards, and making a meaningful impact on the healthcare landscape of India and beyond.

Our Vision

Helping patients reclaim valuable moments of life from illness

At Intra Life Pvt Ltd, our vision is not just a statement; it's a profound commitment that fuels our every endeavor. We envision a world where illness does not steal precious moments from people's lives, where every individual can embrace life's joys without the burden of health challenges. Our vision is succinctly captured in our mantra: "Helping patients reclaim valuable moments of life from illness."

Our history is a testament to our enduring commitment to excellence, innovation, and improving healthcare worldwide.

Our History

With a history of working in the Indian Pharmaceutical industry for over 42 years, **INTRA LIFE** has an unmatched positive reputation for the development, manufacturing and distribution of medicines to treat serious illnesses.

We pride ourselves on a commitment to operate to the highest quality standards.

We create and supply products that add value to healthcare systems, delivering excellent customer service and offering a comprehensive portfolio of products in the business segments in which we operate.

INTRALIFE restructures its entire operations, architecture and processes to be in line with the current demands and challenges thrown by the industry. A new Head office in Bengaluru was also established.

A Humble Beginning

Entered into the Pharmaceutical industry with a vision to add value to the patients and prevailing healthcare situation.

How We Work

At Intra Life Pvt Ltd, our approach to pharmaceuticals is rooted in a strong set of principles and practices guide every aspect of our operations. We believe that transparency, innovation, and a deep commitment to quality are cornerstones of our success. Here is an inside look at how we work:

As the biggest supplier by volume and range, we know that patients all across the country relies on INTRA LIFE for their medicines. We take that responsibility very seriously. From packaging to distribution, all through our supply chain, we are focused on making our medicines accessible to healthcare professionals and ultimately onto patients.

We follow industry-recognized Good Manufacturing Practice, which mean the highest standards of quality and safety are applied throughout the packaging process. From the tablets / capsules / syrups/ ointments /soft-gels/ injectables/ inhalers arriving in bulk containers to the final medicine boxes being stored on the pallet ready for shipping, our packaging experts oversee every stage.

INTRA LIFE 's primary distribution facility is strategically situated in India in Bengaluru. Our supply chain processes and world class warehouse facility is having the expertise to handle distribution and supply chain impeccably and is fully supportive to deliver seamless supplies of medicines catering the entire South and middle India. Our two other dispatch points is situated at Ghaziabad and Kolkata to enable fast and flexible logistics network and supplies to the North and North-east Zone.

Research-Driven Innovation

Our journey begins in our state-of-the-art research and development facilities. We invest significantly in scientific research and collaborate with leading experts to develop cutting-edge formulations. Our commitment to innovation means that we are constantly pushing the boundaries of what's possible in healthcare.

Our two other dispatch points is situated at Ghaziabad and Kolkata to enable fast and flexible logistics network and supplies to the North and North-east Zone.

Our approach is a blend of scientific precision and unwavering compassion. We invest in cutting-edge research to develop, formulations that are not only effective but also safe. We understand that every individual is unique, and we tailor our solutions to meet their specific needs. We stand by our commitment to delivering quality medicines that bring hope and healing.

Our commitment to quality begins with the strictest control measures at every stage of production

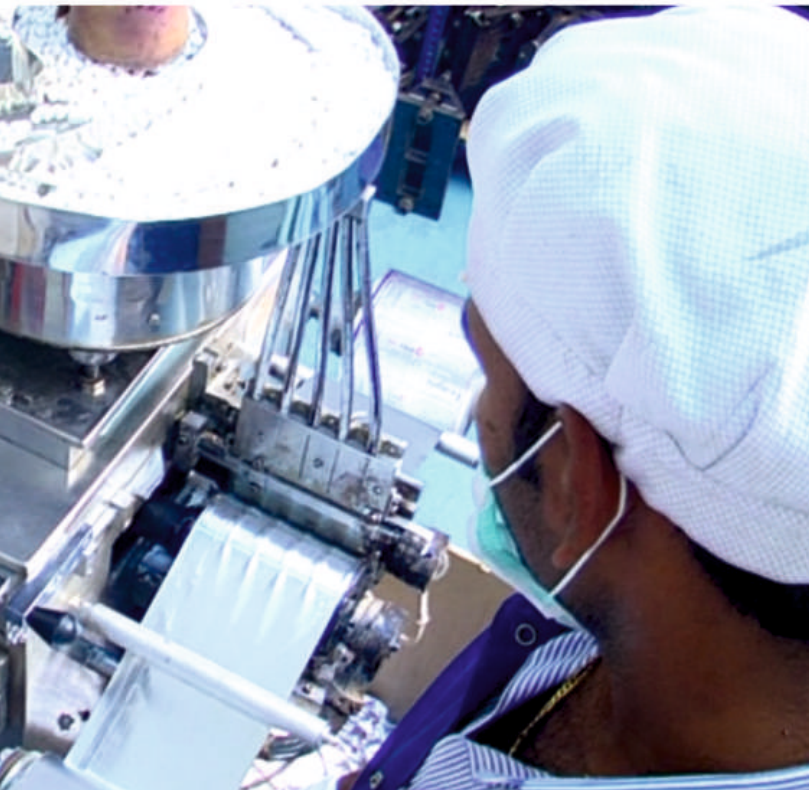

Ensuring Excellence Every Step of the Way

Quality Assurance

At Intra Life Pvt Ltd, we understand that quality is not just a goal; it's a non-negotiable commitment. We take immense pride in our rigorous quality assurance practices, which are at the heart of everything we do.

Our "Quality-by-Design" approach brings a level of consistent excellence throughout the development process and solidifies the bedrock of excellence behind each of its products. We offer medicines manufactured at state of the art facilities, which have been approved by major regulatory agencies.

WHO-GMP and ISO Certified: We are proud to hold the prestigious certifications from the World Health Organization - Good Manufacturing Practices (WHO-GMP) and the International Organization for Standardization (ISO). These certifications are a testament to our unwavering dedication to maintaining the highest standards of quality in pharmaceutical manufacturing.

Raw Materials

We source only the finest raw materials from trusted suppliers, subjecting them to rigorous quality checks to ensure purity and efficacy.

State-of-the-Art Facilities

Our cutting-edge manufacturing facilities are equipped with the latest technology and adhere to the most stringent quality control protocols.

Quality Testing

Every product undergoes comprehensive quality testing in our state-of-the-art laboratories, where our expert team of scientists and technicians meticulously analyze every aspect of formulation.

Packaging and Storage

From packaging to storage, we maintain the highest standards to prevent contamination and ensure product stability.

Research-Based Formulations

A Culture of Innovation

Collaborative Partnerships

Research & Development

Excellence in pharmaceuticals begins with a relentless commitment to research and development (R&D). Our pursuit of innovative solutions and cutting-edge formulations is at the core of our mission to enhance global healthcare.

Since its inception, INTRA LIFE has relentlessly pursued the most innovative and expert talent across a wide variety of products, dosage forms and delivery mechanisms resulting in an excellent Research & Development team in the industry. INTRA LIFE's dedication to excellence keeps it at the leading edge of manufacturing technology. We invest in the absolute best quality facilities, equipment, technology and talent to ensure the seamless production of our products.

Shaping the Future of Healthcare

Our R&D division operates with a relentless commitment to excellence. We adhere to the highest ethical standards and regulatory practices.

Research-Based Formulations

Innovation is more than just a buzzword; it's a way of life at Intra Life. Our R&D division is driven by a culture that fosters creativity, exploration, and scientific curiosity. We believe that the answers to tomorrow's healthcare challenges lie in today's innovative thinking.

Our commitment to research is evident in every product we develop. Our formulations are meticulously crafted, backed by comprehensive research, and validated through rigorous testing. We focus on creating pharmaceutical solutions that are not only effective but also safe for patients.

We recognize that the most significant breakthroughs often happen through collaboration. That's why we actively seek partnerships with leading research institutions, healthcare experts, and innovators. These collaborations allow us to tap into a wealth of knowledge and expertise, driving our R&D efforts forward.

01

Pioneering the Future of Pharmaceuticals

In an ever-evolving healthcare landscape, staying at the forefront of technology is crucial

02

Improving Lives Through Innovation

Our ultimate goal is to improve the lives of individuals and communities worldwide. We believe that every innovation we bring to market has the potential to make a significant difference in patient care

ABOUT OUR COMPANY

Our Accreditation

At Intra Life Pvt Ltd, our unwavering commitment to quality and excellence is reinforced by the prestigious accreditations and certifications we have earned over the years. These accolades underscore our dedication to delivering pharmaceutical solutions of the highest standards.

Intra Life Pvt Ltd is dedicated to regulatory compliance in all the markets we serve. We navigate the complex landscape of healthcare regulations with precision, ensuring that our products meet the diverse requirements of different regions.

WHO Certified

We have achieved certification from the World Health Organization (WHO), further validating our commitment to quality and safety. WHO certification signifies that our pharmaceutical products meet the international standards required for global distribution. It is a testament to our dedication to providing healthcare solutions that are trusted worldwide.

GMP Certified

Our adherence to Good Manufacturing Practices (GMP) is unwavering. We are proud to be GMP certified, a recognition that reflects our commitment to maintaining stringent quality control measures throughout the entire manufacturing process. GMP certification ensures that every product bearing our name is produced to the highest quality standards.

ISO Certified

Our commitment to quality management is exemplified by our ISO certification. We are ISO certified, demonstrating our rigorous quality assurance practices and commitment to continuous improvement. ISO certification ensures that our operations adhere to internationally recognized standards, instilling confidence in our customers and partners.

Intra Life Welcomes the Legendary Trio

Shivaji Satam, Dayanand Shetty, & Aditya Srivastava!

16th Aug. 2024

The trio's visit was more than just a tour—it was an exchange of ideas and values. They engaged in insightful discussions with our experts, shared their thoughts on the importance of healthcare, and even participated in a few product demonstrations. Their enthusiasm and genuine interest in our work left a lasting impression on everyone at Intra Life.

As a token of appreciation, we presented them with personalized gift hampers, showcasing some of our flagship products. The event concluded with a heartwarming photo session, capturing the essence of this memorable day. The visit of these celebrated personalities not only energized our team but also reaffirmed our commitment to excellence and innovation in the healthcare industry.

Commitment to Healthcare

Celebrating Excellence in the Pharmaceutical Industry

At Intralife Pvt. Ltd., we're proud to announce that we've been honored with three prestigious awards for our relentless commitment to excellence in the pharmaceutical industry. These accolades stand as a testament to our unwavering dedication to innovation, quality, and patient-centricity.

These accolades are a testament to our team's dedication, expertise, and passion for improving patient outcomes worldwide. As we continue to push the boundaries of possibility in the pharmaceutical landscape, we remain steadfast in our mission to make a meaningful impact on the lives of individuals and communities.

Heart-touching moment! Very Proud to receive an Award and Felicitation from the esteemed **Chief Minister of Maharashtra, Sri Eknath Shinde Ji**, for our outstanding contributions to the pharma industry of 44 years. With a diverse portfolio of 2500+ products.

An outstanding award and heartfelt felicitation from **Gujarat's Chief Minister, Bhupendrabhai Patel Ji**, stand testament to our unwavering commitment to excellence in the pharma industry! With a rich portfolio boasting 2500+ products, we're proud contributors to healthcare advancements. This recognition fuels our passion to innovate and serve!

Shri Nitin Gadkari, the dynamic Road Transport & Highways Minister, has honored us, with the prestigious "**Excellence in Pharma Industry**" award for the third time! With 2500+ superior quality products and a commitment to continuous innovation, Intralife continues to shine as a beacon of excellence in the pharmaceutical sector.

Step into the realm of extravagance and innovation with Intralife Pvt. Ltd's "**Maha Mega Business Event**," an unforgettable experience that unfolded aboard the luxurious **Cordelia Cruises** from February 23rd to 26th, 2024. This exclusive affair was a fusion of business and pleasure, featuring a myriad of captivating events designed to inspire, entertain, and elevate. From scintillating bikini showcases to electrifying live music performances, every moment was infused with excitement and glamour. The highlight of the event was the prestigious awards distribution ceremony, where industry luminaries were honored for their exceptional contributions. Renowned celebrities and influential personalities, including the likes of **Sunny Leone, Hussain Kuwajerwala, Aayushi Jaiswal, Sofia Ansari, Anjali Arora, Pratika Sood, and Rajshree Laxmi**, graced the occasion, adding an extra layer of star-studded allure. Join us as we reminisce on this unparalleled extravaganza, where business met pleasure amidst the enchanting backdrop of the sea.

Forever Star India Awards! Title Sponsored - Intra Life

24th Sept. 2023

Our contribution included exclusive gift hampers featuring Italy's Frama Coppini brand, presented to deserving winners. The awards ceremony honored individuals for their exceptional skills and contributions to society.

Forever Star India and INTRA LIFE came together to spotlight India's top achievers who have spread their unique work and accomplishments across more than 70 different categories.

Notably, the Intra life channel partners received a special award from Malika Arora, one of our valued partners. This glamorous evening was a true celebration of talent and dedication, elevated by INTRA LIFE PRIVATE LIMITED's support.

Esteemed Sandalwood actor Shivraj Kumar graced the splendid inauguration ceremony of INTRALIFE Pharmaceutical Company, a renowned manufacturer and distributor of cutting-edge healthcare products. The momentous event, held on April 21, witnessed the esteemed presence of industry experts, distinguished guests, and media personnel, all gathered to witness the actor's participation and his profound insights on the newly unveiled INTRALIFE Experience Center. Taking the center stage, the actor eloquently emphasized the pivotal role of the pharmaceutical industry in contributing to society while highlighting the paramount importance of ongoing innovation and research for enhancing healthcare outcomes.

The INTRA LIFE organized Maha Mega Business Event in Goa on November 14, 2022, was undoubtedly a "SUCCESS CELEBRATION" to recognise the work and sacrifice that each of the Channel Partners had made to publicise the new molecules of INTRA LIFE in the country's fiercely competitive pharmaceutical sector. At the resort, all of the Channel partners had a wonderful time and relished the party. Celebrities including cricketer Sreesanth, Bollywood singer Ankit Tiwari, and Bollywood actresses Tusshar Kapoor, Sherlyn Chopra, and others were present to celebrate the channel partners' success in particular.

Mega Business Meet Goa

11th to 13th January 2020

The Mega Business Meet at Goa from 11th to 13th January 2020 organized by INTRA LIFE was definitely a "SUCCESS CELEBRATION" to honor the efforts and pain that each one of the Channel partners had taken to promote the new molecules of INTRA LIFE in the current highly competitive INDIAN Pharma market. All the Channel partners had a gala time at the resort & enjoyed the POOL PARTY, FASHION SHOW, DJ NIGHT and CRICKET LEAGUE. The presence of celebrities like cricketer Sreesanth, Bollywood singer Ankit Tiwari and Bollywood actors Tusshar Kapoor, Sherlyn Chopra etc., "was an added spice to specially celebrate the success of Channel partners!!!"

The "Lucky Draw" was a tribute to all the Channel partners where they won prizes ranging Thermos Flask up to a Car!!!

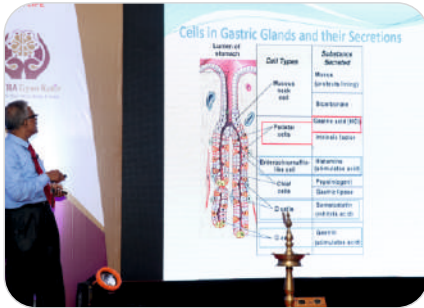

Organized at Vedic Village Resort, Kolkata on June 8th and 9th, 2019, INTRA LIFE provided a 2-day training program to all its channel partners to enhance their personalities and gear up sales revenue. The channel partners were given details about the latest molecules of INTRA LIFE, and the training program was a huge success among the partners.

Awards & Recognitions to Channel Partners

Every Single Channel Partner is important to INTRA LIFE. We feel that it is our duty to honour the Channel Partners as they take a lot of pain to promote the brand of INTRA LIFE in the highly competitive Indian Pharmaceutical market. At every event/business meet, the Channel partners are conferred with awards and recognitions for their excellent sales and target performances.

Acknowledging and appreciating our employees is essential for their growth and the overall success of our organization.

Awards & Recognitions to Our Employees

At Intra Life Pvt Ltd, we firmly believe that our employees are our most valuable asset. Their hard work, dedication, and passion are the driving force behind our success. We take great pride in recognizing and appreciating their contributions through various awards and recognitions. Here are some of the prestigious awards we bestow upon our outstanding employees:

“

Enriching Lives
Beyond Medicine

OUR CORPORATE SOCIAL RESPONSIBILITY

Samarpan Foundation

We recognize that our responsibility extends beyond the development and distribution of pharmaceuticals.

We are deeply committed to making a positive impact on society through our Corporate Social Responsibility (CSR) initiatives. Our dedication to enriching lives goes hand in hand with our mission of advancing healthcare.

Corporate responsibility (CSR) programs are a great way to raise morale in the workplace. By practicing CSR, INTRA LIFE is conscious of the kind of impact we are having on all aspects of society, including economic, health, social and environmental.

As a healthcare company, INTRA LIFE has taken several initiatives under the name "SAMARPAN" like organizing free health check-up camps, free medicines to the needy and distribution of free books to the children.

Why Choose us as a Business Partner?

With an extensive portfolio of 1500+ products, INTRA LIFE proudly offers a comprehensive range of pharmaceutical dosage forms that cater to a wide spectrum of therapeutic categories, all conveniently available under one roof. Distinguishing itself from others in the industry, INTRA LIFE stands as a pioneer in organizing various impactful events, including medical training programs, promotional gift initiatives, rewarding ceremonies, corporate social responsibility activities, team-building endeavors, and exclusive business meets. Moreover, these remarkable events are thoughtfully held in serene locales worldwide, showcasing our unwavering dedication to the well-being and satisfaction of our esteemed partners.

Innovative Solutions

From cutting-edge formulations to pioneering new treatments, we are at the forefront of healthcare advancement.

Customer-Centric Approach

Your needs are at the heart of our operations. We actively listen to your requirements, challenges, and feedback to provide tailored solutions that meet your specific needs.

Strong Portfolio

With a legacy spanning back to the 1980s, we have established ourselves as a trusted provider of innovative pharmaceuticals. Our extensive portfolio encompasses a diverse range of both high-volume and niche formulations, reflecting our commitment to meeting the unique healthcare needs of diverse populations. Bolstered by a repertoire of over 1500 formulations, we steadfastly continue our pursuit of introducing strategic additions to our offerings.

Our extensive product portfolio encompasses a wide range of therapeutic areas, reflecting our expertise and leadership in the pharmaceutical industry. Our offerings span across Antibiotics, Antifungal, Antimalarial, Anti-inflammatory, Anti-allergics, Antacids, Anti-emetics, Cough suppressants, Expectorants, Multivitamins, Proteins, Hematinics, Prebiotics and Probiotics, Lifecaps and Inhalers, Gynaecology, Cardiology, Dermatology, Diabetes, Hepatoprotective, Dental, Ophthalmic, Infertility, Psychiatry, Infusions, and more. Notably, we have established ourselves as pioneers in a product range dedicated to Male and Female infertility management as well as Asthma treatment. Our commitment to offering comprehensive solutions in these specialized areas underscores our dedication to meeting diverse healthcare needs and providing effective therapies for patients.
